

Privacy Policy

This privacy policy discloses the privacy practices for www.cnick.io. This privacy notice applies solely to information collected by this CNICK LLC. It will notify you of the following:

1. What personally identifiable information is collected from you through the website, how it is used and with whom it may be shared.
2. What choices are available to you regarding the use of your data.
3. The security procedures in place to protect the misuse of your information.
4. How you can correct any inaccuracies in the information.

Information Collection, Use, and Sharing

We are the sole owners of the information collected on this site. We only have access to/collect information that you voluntarily give us via email or another direct contact from you. We will not sell or rent this information to anyone.

We will use your information to respond to you, regarding the reason you contacted us. We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request, e.g., to ship an order.

Unless you ask us not to, we may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.

CNICK Ring is an offline device, and we have no access to the information our customer stores in his/her ring. Neither CNICK mobile application collects and uploads any information. Thus, CNICK Ring's owner is the only party having control of the information, which is stored in his/her ring, unless the ring was stolen or lost.

Your Access to and Control Over Information

You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via the email address is given on our website:

- See what data we have about you if any.
- Change/correct any data we have about you.
- Have us delete any data we have about you.
- Express any concern you have about our use of your data.

Security

We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline.

Wherever we do not collect sensitive information, but any information is encrypted and transmitted to us in a secure way (securely transmitted to us) sounds better. You can verify this by looking for a lock icon in the address bar and looking for "https" at the beginning of the address of the Web page.
